

SCHOOL ANTHEM

Na aan gewoel van stede,
Tog soos die platteland,
Tussen die nywerhede,
Troon ons skool in sy vierkant.

Here we will proudly honour
when life puts us to the test
Preparing us to the fullest
teaching us to be the best

Elsburg skool, ons sweer ons trou,
Elsburg school, here we will grow
Elsburg skool, sal handhaaf bou
In history and future, we will all stand tall.
