

SCHOOL FEES

At Laerskool Elsburg we strive to give your child the best possible educational opportunities. This can only happen if every parent supports us and contributes his share of school fees. Without fees it is impossible to cover expenses of academic, teaching, the building and grounds maintenance and functioning of cultural and sports activities. A Resolution on School Fees is determined annually by the Financial Advisory Committee and the Governing Body at the Parents/Budget meeting and is legally enforceable (it is compulsive).

To make it as easy as possible each learner receives a monthly statement that sets out your financial liability. You have the choice of a monthly school fee payment or if you make a once off payment before 1 April, you only pay for 10 months.

Your co-operation in this regard will be highly appreciated.
